Dear Michael,

The GTC cordially invite you to the 17th Annual Golf Tournament of Champions to be held the 8th and 9th of September. The GTC once again commends you, Michael, for your exemplary dedication and we recognize the sacrifices you, Jessica and your children have made to put yourself in this position. As the captaincy has returned to the tournament's founders, we are excited to usher in a new era of the GTC.

This year's tournament will introduce the following changes to the tournament:

- Co-captains replacing captains
- Best of 3-year team cycles
- Pink Towel buried

The bar has been raised after last year's record-setting tournament. We anticipate another fun golf season as we approach the 2018 edition of the Golf Tournament of Champions. Further details will be released soon.

Birdies & Eagles,

The Golf Tournament of Champions
